

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of PacifiCorp (U-901-E) and
MidAmerican Energy Holdings Company for
Exemption Under Section 853(b) from the
Approval Requirements of Section 854(a) of the
Public Utilities Code with Respect to the
Acquisition of PacifiCorp by MidAmerican.

Application 05-07-010
(Filed July 15, 2005)

**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING MOTION TO FILE INFORMATION UNDER SEAL**

On October 14, 2005, PacifiCorp and MidAmerican Energy Holdings Company (collectively, Applicants) filed a motion to place under seal portions of their concurrently filed supplement to Application 05-07-010. Specifically, the Applicants seek to place under seal the entirety of the Applicants' response to Questions 1, 7, 8, and 9(c) propounded in a ruling issued by the assigned Administrative Law Judge on September 27, 2005.

There was no response to the Applicants' motion.

The Applicants assert that the material they seek to place under seal is "precisely the type of information competitors could use to disadvantage MEHC and/or PacifiCorp in competitive markets and future business dealings." The Applicants also contend that granting their motion will not impair the rights of any party to the proceeding, as other parties may obtain access to the material placed under seal under the appropriate conditions.

The Applicants have demonstrated good cause to place under seal the information identified in their motion. Therefore, the Applicants' motion is granted pursuant to Public Utilities Code Section 583 and General Order 66-C.

IT IS RULED that:

1. The Applicants' motion filed on October 14, 2005, to place the documents specified therein under seal is granted.
2. The information placed under seal pursuant to this Ruling shall remain under seal for a two-year period from the date of this Ruling. During this period, this information shall not be made accessible or disclosed to anyone other than Commission staff except on the further order or ruling of the Commission, the Assigned Commissioner, the assigned Administrative Law Judge (ALJ), or the ALJ then designated as Law and Motion Judge.
3. If the Applicants believe that protection of the information placed under seal by this Ruling is needed after two years, the Applicants may file a motion stating the need for further withholding the material from public inspection or for such other relief as the Commission Rules may then provide. This motion shall be filed no later than 45 days before the expiration of this Ruling.

Dated January 27, 2006, at San Francisco, California.
